

Do you find yourself asking?

- Are my assets well-positioned to withstand a major economic downturn?

- Is my 401(k) invested properly for the current market environment?

- What is my plan for rising healthcare costs and tax expenses?

We would be happy to give you a no-cost analysis of your portfolio. After our review, we will discuss with you our thoughts, and give you relevant and actionable ideas for navigating the current market environment.

With the current world events things may feel different this time. But the stock market has seen these fundamentals occur several times during its history. Using this history as a guideline, we feel a thoughtful investment strategy is key.

The Haddon Township Group is made up of three seasoned professionals with over 80 years of combined industry experience. Over the years we've seen many different market conditions, and we'd welcome the opportunity to work with you to get through this current market uncertainty.
